#### **DETAILED ACTION**

## Ex parte Quayle

This application is in condition for allowance except for the following formal matters:

#### Claim Objections

Claims 1-6 are objected to because of the following informalities: The claims contain several instances of irregular capitalization. For example, each subparagraph of claim 1 begins with a capital "A", whereas the lower case "a" should be used. For example, the subparagraph beginning "A fixing cap..." should read "a fixing cap...". Careful review of the claims for such errors is strongly encouraged and appropriate correction is required.

Prosecution on the merits is closed in accordance with the practice under Ex parte Quayle, 1935 C.D. 11, 453 O.G. 213.

A shortened statutory period for reply to this action is set to expire **TWO**MONTHS from the mailing date of this letter.
